Dear Sir/ Madam,

I am writing to apply for the Python/Django internship position that I came to know from the LinkedIn post. I believe that my skill and projects make me an ideal candidate for this position.

I am currently pursuing a bachelor's degree in Bsc.CSIT at Tribhuvan University. During my academic journey, I have done work on various python and Django project from simple portfolio website to full feature e-commerce site. This project provide me experience in building web application, implementing database and knowledge of various tools like git, jira ,figma, docker.

I have attached my resume for your review and would greatly appreciate the chance to discuss how I can contribute to the organization as an intern. Thank you for considering my application.

Best regards,
